Lunch time

Drawing a self-portrait. (P. 18 of the resource pack)
Portraits and self-portraits show what a person looks like and gives hints about their personality, likes and dislikes.

Escher's self-portrait shows he loves mathematical problems. He draws himself in a reflection.

Van Gogh's self-portrait shows how he feels unhappy. The waves in the background show how he was very confused and uncertain of his feelings.

Think about what is important to you and what emotion you want to show.
