SMFA Bulletin: 08th October 2020

Message from the Headteacher:

It has been another successful week at school and the children have been showing off their writing skills. We have been really impressed with the imagination and resilience the children have shown within their writing this week, particularly reading some of the stories in Year 2 about the adventures of Peter Pan and Captain Hook!

Miss Girdlestone has enjoyed teaching Reading with J.K. Rowling this week and particularly enjoyed debating whether fairy tales are real or not- what do you think? J.K. Rowling class were also lucky enough to attend an African Culture session this week as part of Junior Ambassadors where they could listen to African drumming and learn about the culture in Africa.

Miss Higgins has enjoyed teaching Maths in several classes this week where we have been looking at how we can use practical resources to make Maths exciting and deepen our understanding. She also enjoyed teaching Year 1 and 2 PE for the first time and had great fun with everyone making sure they can't pop their individual bubbles.

This week we have been looking at Black History Month in school and we have learnt about a lady called Rosa Parks. It has been learning about the history of our country and other countries and how different life used to be for people.

We have been lucky enough to have our local MP, Giles Watling, and the Head of Reach2 Trust, Sir Steve Lancashire, visit us this week. They enjoyed their visit and spent time looking around school at all the wonderful things the children have been doing since they came back in September.

Just another reminder to ensure that you get your child(ren) to bring in a coat as the weather starts to get colder.

Please can you make sure that you use the orange markers outside of school to maintain social distancing and as soon as you have collected your child, move away from the gates to ensure safety for yourselves and your children.

I hope that you all have a lovely weekend.
