Message from the Headteacher:

It has been another busy week at Sir Martin Frobisher Academy and I know that all of the children have been working hard with their learning. It is lovely to see so many of them keen to learn and our attendance has improved this week, which is great.

The children all looked very smart for their school photographs today. I am sure they will make great Christmas presents this year. We will let you know how you can order them soon.

After half term, we are excited to announce that Colchester United will be supporting us with some of our PE lessons. They will be teaching a range of different sports for our children to try. Some of the children's PE days will change after half term but we will send out a rota next week to make sure you know when to send your children in kit.

Miss Higgins thoroughly enjoyed working with Judith Kerr class at the beginning of this week, learning about a Very Hungry Caterpillar. If your child is in Judith Kerr class, why not see how much of the story they can remember? It starts, "In the light of the moon..." and there are actions too!

The children are always demonstrating our values across school and earning Dojo Points for this. It is lovely to see that so many children are reaching 25, 50 and 100 Dojo Points already- keep up the excellent work.

We are seeing some incredible homework come into school already, if your child hasn't finished their homework yet, please make sure it is brought in by next week.

Thank you to all those children and parents who are bringing their reading records back regularly. Please make sure you continue to read at home with your children- even if it is just the pictures!

Finally, just another reminder around social distancing, particularly as Essex will move up to a higher tier rating from Saturday. Please make sure you are staying safe, keeping your distance and wearing a face covering when possible.

I hope that you all have a lovely weekend.
