Message from the Headteacher:

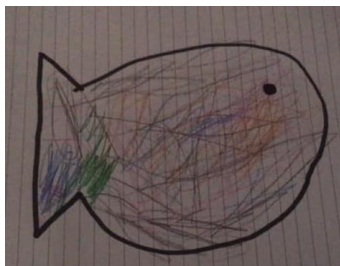

I hope that you are all safe and well. It has been lovely to see so many of the children attending the TEAMS Live Learning. The teachers have commented on how engaged the children are and how lovely it has been that so many parents are supporting their children during these sessions.

Hopefully, everyone that needs a device now has one, but please continue to let us know if you need any IT support. This is a learning curve for all of us!

We have now had headphones delivered to help support with the Live Learning, as I know many of the children were finding it difficult to focus because they also had siblings on Live Learning at the same time.

These can be collected from the school office but will also be sent out with devices from now on.

Thank you to everyone who watched my assembly this week and those children who sent in pictures of the Rainbow Fish. Well done to Bram (JW), Obi (JD) and Jaydon-Levi (JK) for their beautiful Rainbow Fish.

Please look out for another Assembly on Monday.

If you would like to send in your child's work for their teacher to see, please send it to updates@smfa.org.uk. If you could put your child's name and class in the "Subject" and we will pass it on to their teacher. Members of the Pastoral Team and the Office Team will continue to contact vulnerable families and any families who are not accessing Live Learning.

I hope you all have a lovely weekend,
Miss Debbie Conroy

FREE SCHOOL MEAL UPDATE

All children entitled to Free School Meals should now have received a £15 Food Voucher for this week via Wonde. From next week, we will be using the Government scheme which is done through a company called Edenred. From past experience, this might take a few days to set up, but we will get started on this first thing Monday morning when the vouchers become available for order. **If your child is attending the Face to Face Educational provision then they will need to bring in a packed lunch from Monday.**
