SMFA Bulletin: 5th February 2021

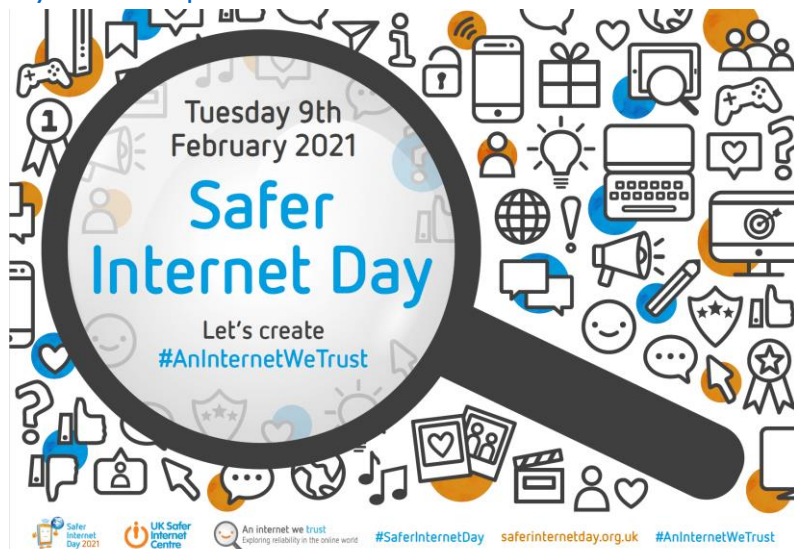

Message from the Headteacher:

I hope that everyone is keeping well and staying safe at home. I have enjoyed looking through all of the children's assignments on Teams and it is lovely to see how hard they are all working – well done! I found some of the instruction writing completed by children in the Michael Rosen and J K Rowling Teams Class particularly informative. Miss Higgins has enjoyed dropping in on some of the Live Lessons this week and she will be continuing to do this next week. I know the Roald Dahl Class have been thinking very carefully about the properties of 2d shapes and how to distinguish between a rectangle and a square.

I hope that everyone has managed to watch the assembly link for Children's Mental Health week. During these challenging times, it is more important than ever to talk about Mental Health.

Next Tuesday is Safer Internet Day, and over the course of next week we will be sharing some important information with the children about how to stay safe on the Internet. Please see this link for further information for Parents and Carers:

Parent Consultation phone calls will take place next week. Our teachers are looking forward to speaking to you about your child. From next week we will be running three Face to Face provision Bubbles, which may affect the teacher leading your child's live learning session.
