Deputy Heads: Mr David Girdlestone and Miss Victoria Higgins

SMFA Bulletin: 5th March 2021

Message from the Headteacher:

I hope that everyone is well and that the children are all looking forward to returning to school next week – please remember that ALL children are expected in school next week and this is a statutory requirement. We have spent today getting the school ready for Monday and our reviewed Risk Assessment can be found on the school website.

After Easter we will be launching a new reading programme called Accelerated Reader for children in Key Stage 2. This will give children access to books online and support the children with their comprehension skills. We will be beginning to prepare the children for this over the next few weeks.

We are currently reviewing our original Catch Up Plan to reflect the additional Lockdown. As well as additional Phonics Tutoring in Reception and Key Stage One, Miss Higgins will continue to do tutoring with some children and we are organising for two Catch Up Tutors to come into school after Easter to support children in certain year groups who have gaps in their learning. We are also looking at other ways we can utilise time before and after school to support the children with their learning.

Next week the staff will be talking to the children about the learning they have completed during Lockdown and finishing off some of the topics they have been covering as part of our remote learning offer.

On Friday 12th March, I would like to invite you to an online Parent Forum and you will find the link attached to the email you received with this Bulletin. This will be an opportunity for us to talk about the last few weeks and discuss our plans for moving the school forward. Normally I would be offering tea, coffee and cake, but unfortunately I am unable to do this virtually. Please feel free to logon with a cup of tea/coffee and a piece of cake though!
