### Message from the Headteacher:

It has been another lovely, bright week and the children have been busy focusing on their learning. I have enjoyed spending some time in classrooms this week. I was very impressed with children across EYFS and Key Stage One who are all working hard on their phonics. They have settled back into the Read Write Inc routine and are making pleasing progress.

Children in Mr Cree's Class have been reading a book called 'The Extra Yarn' and I was very impressed with their fantastic acting skills. Well done to Jenson, Fletcher, Thomas, Ronnie and Myleigh for speaking so clearly and with such great expression.

The Enid Blyton and Jacqueline Wilson Class have written their own story based on the structure of Monsters Inc. I loved reading Caiden's version and I can't wait to read his ending – he has built up suspense brilliantly!

Children in the JK Rowling Class are really enjoying their current reading book which contains lots of short stories. They have been comparing the characteristics between the fairies in the story and summarising the story lines. I was impressed with how well the children were referring to the text and choosing quotes to back up their ideas.

The Michael Rosen Class have been learning about percentages and they are working really hard at responding to marking in their Maths Books – well done Year 6!

### Attendance

Our 100% attendance winner of a £20 Amazon voucher this week is: The Poleszczuk Family. Overall, our Attendance is still poor. Please can you ensure your child is in school, on time, everyday. Mrs Haven and I have met regarding Persistent Absentees and letters will be sent out next week to those families causing greatest concern.

### Healthy Schools

We continue to focus on children being 'Ready to Learn'. All children are offered a bagel for breakfast each morning and water is available throughout the day. As well as this, it is important for children to have a good bedtime routine so that they are getting enough sleep. Please see this [link](#) for further advice on supporting your child in having a good sleep routine.

### TikTok

It has been brought to our attention that a number of our children have TikTok accounts or are accessing TikTok through older siblings

or parents accounts. Please can I remind you that the official age rating for TikTok is 13+. The [NSPCC](#) have a useful page with information about TikTok, and how to stay safe when using it.

**Year 6**

We are currently investigating some end of term activities for Year 6 and a possible overnight stay. Once we have confirmed what we are able to safely offer, we will let parents and children know.

Thank you for your ongoing support.
