Message from the Headteacher:

I hope that everyone had a lovely Summer, I certainly enjoyed spending time with my family and friends. It has been lovely to see all of the children back ready to learn and most children look really smart in their school uniform.

Thank you to everyone for your support with only sending children in with water in their water bottles. Most children are also coming in with the correct PE kit, which is great and they look really smart. Children will bring home a yellow slip as a reminder if they are not wearing the correct kit or they do not have water in their water bottle.

The children have all enjoyed learning about their class authors this week and I have seen some great letters written and fabulous artwork across the school. Mr Vincent has also enjoyed teaching Outdoor Adventures this week and the children have been extremely sensible during these lessons.

Children in the Anthony Browne Class have additional members to their class as they have two guinea pigs called Oreo and Ginger, Stick Insects and a Cockroach. Other children across the school are also enjoying meeting the guinea pigs at lunch time.

End of the Day Arrangements

As we have now been back at school a week, we wanted to review the situation around pick-up as we are aware it is a little congested at the front gate. Therefore, we will be opening the gates at 3.15pm and inviting parents into the school grounds for **Pick Up only**.

Each class has an allocated zone for parents to stand and wait for their children. Please do not gather around the classroom doors or any pathways where other parents will be walking through. There are signs across the school and in the allocated areas for parents to follow. Children should also not be playing on the school play equipment at the end of the day.

If you need to speak to a member of staff briefly at the end of the day, then please wait until they have dismissed all of their children. If you need a meeting with the teacher, please contact the school office for an appointment. The school gates will be locked promptly at 3.30pm as staff have meetings to attend after school.
