Message from the Headteacher:

Dear Parents/Carers,

I have really enjoyed spending time in class this week, getting to know the children. In Year 5 and 6 we talked about being aspirational and how it is important to put effort in to achieve our goals. The children decided that being an astronaut required the most effort! Year 3 and 4 have been designing their own flags for their House Team and I am pleased to announce that last week Panthers won the House Cup. Well done to all of the children in Panther House!

On Wednesday, I went on a Scavenger Hunt with Year 1 and 2. The children then created their own pieces of art work with the pieces they had found – we disinfected everything first though! Mr Girdlestone and Miss Higgins have been covering in classes most of this week and it has been lovely to see the children outside learning to play netball and rugby in a COVID safe way.

On Monday morning we were visited by pixies and they decided to build a house in one of our trees. All of the children across the school have written stories about the pixies and the mischief they have been up to! By the end of next week children will be given a reading book to take home. They will be able to change their reading book once a week. When books are returned, we will store them for 72 hours before another child can use them. We will also start to send homework out next week.

SEND

Mrs Wadsworth has sent out letters this week regarding appointments to discuss any child on the SEND register. Please could you return your slip to let her know whether you will be attending the online meeting as soon as possible, thank you.

Health and Safety

On Wednesday morning we had the road traffic police patrolling the roads around the school site. Please can I remind anyone who drives their child to school that you should not be parking on the yellow zig zag lines and that it is not safe to park in the middle of the road and let your children out.

I would also like to remind people of the importance of social distancing at drop off and pick up times, as well as advise anyone over the age of 11 to wear a face mask. If you do wear a disposable face mask, please can you dispose of it in a bin at home because we have found several on the pavements outside the school gates.
