SMFA Bulletin: 8th January 2021

Message from the Headteacher:

I hope that you are all safe and well. This has certainly been a very unusual start to 2021.

I would like to thank you all for supporting your children with getting to grips with Remote Learning and encouraging their participation. It has been lovely to see so many of them on Teams and I know that the teachers are impressed with how engaged the children are. I would also like to thank the staff at SMFA for all of their hard work this week. I am sure you can appreciate the short notice schools were given to turn normal face to face lessons into Remote Learning. I know that teachers have spent many hours beyond the school day preparing for Remote Learning and learning to use Teams.

Please continue to let us know if you need a device or access to the Internet and we will try to organise this for you. All resources and planning can also be found on our school website, but we would obviously prefer it if your child can log on to the live learning so that they can receive the input from one of the teachers.

If you would like to send in your child's work for their teacher to see, please send it to updates@smfa.org.uk. If you could put your child's name and class in the "Subject" and we will pass it on to their teacher. I would like to say well done to Eleanor, Aimee, Bram & Foster in Miss Hall and Miss Parsonson's Team for already sending work into updates@.

If your child has not accessed Remote Learning yet, a member of the SMFA team will have been in touch with you this week to check that your family are ok and if there is anything we can do to support you. If you have missed this call, please contact the school office at your earliest convenience. Members of the Pastoral Team and the Office Team will continue to contact families next week.

I hope you all have a lovely weekend,

Miss Debbie Conroy
