Message from the Headteacher:

It has been another very busy week in school and the children are continuing to develop their writing skills across the school. I have been very impressed with the Year 3 and 4 persuasive writing about gaming. They presented lots of very clear arguments about why gaming should not be banned – well done!

Children in the Michael Rosen Class have completed some amazing Titanic paintings this week. We are going to try to get some of the framed so that we can put them up around the school.

Lots of the children have come in today wearing red and white. We are all very excited about the England match on Sunday and I know many of the children and staff will be up watching it – Come on England! I have had a couple of requests for a late start on Monday morning, but this is not something I am able to authorise. It is almost the end of term and we need to use our resilience to try to be in school every day on time.

COVID NOTIFICATIONS

If any of any of our children at SMFA are unfortunate enough to have a positive COVID test or need to self-isolate please do let the school know by completing this [online form](#). Thank you 😊

Children and staff from the Julia Donaldson Class are showing great resilience with having to self-isolate and lots of children have joined the online Remote Learning today. Well done everyone and keep up the great work!

Year 6 are having their Big Weekend in school this this weekend and I know they are all really excited about 'Sleeping under the Stars', which is one of our 11b411 promises. I am sure they are going to have an amazing time and I would like to thank all of the staff who have helped to make this possible.

Finally, I know that many of you are starting to think about uniform for next year. Please follow this [link](#) to order uniform for next year. I hope everyone has a lovely weekend and that you enjoy the football on Sunday evening.

Thank you for your ongoing support.
Miss Debbie Conroy

If your child has been sent home because they are displaying symptoms of COVID-19, then a PCR test **MUST** be booked immediately. If your child has been told to self-isolate, then they should not be allowed to play outside with their friends.
