

Sports Premium Funding Plan

2022 - 2023

Sir Martin Frobisher Academy Sports Premium Funding

Schools receive PE and Sport Premium funding based on the number of pupils in Years 1 to 6.

Schools must use the funding to make additional and sustainable improvements to the quality of physical education (PE), physical activity and sport offered.

This means that the PESP should be used to:

- develop or add to the PE, physical activity and sport activities that the school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Key Indicators for the use of Sports Premium

- **Key indicator 1:** The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school.
- **Key indicator 2:** The profile of PE and sport being raised across the school as a tool for whole school improvement.
- **Key indicator 3:** Increased confidence, knowledge and skills of all staff in teaching PE and sport.
- **Key indicator 4:** Broader experience of a range of sports and activities offered to all pupils.
- **Key indicator 5:** Increased participation in competitive sport.

Accountability

The Senior Leadership Team will regularly monitor, evaluate and review the strategies and interventions put in place for the PE and Sports Premium and report to the Governing Body on its progress and impact.
